# How to use Account Aggregation

- 
- 4.** Review the accounts you would like linked. To exclude an account, click the Gear icon next to the subshare name. Once you have verified, click **Save and Exit** if you are finished, or **Save and Link Another Site** to add another Financial Institution.

*Tip:* You can link any account you'd like such as:  
Checking  
Savings  
Credit Card  
Loans

- 
- 5.** Your linked account will now appear to the left of your Digital Banking home screen!
